

## **What is Ninja NERF Night?**

This activity was not designed for children under 7 years old, *however* Dragons (& young Basics) may participate provided that the following is understood:

- It is loud.
- It is competitive.
- Your child/your child's team will NOT win every activity.
- ALL students WILL be hit by Nerf darts.

**Time?** 5:30 p.m. - 8:30 p.m. (please drop off between 5:15 - 5:25) (**Please pick up by 8:30 p.m.**)

**Where?** Our dojo

**What?** This is an Activity - NOT a movie night. Lots of games, relays, NERF and other fun stuff!

**Food?** Yes - pizza & lemonade; **Please bring a labeled water bottle.**

**Buddies?** Yes. non-karate buddies MUST have a completed Buddy/Event Participant form.

**Dress Code?** Play Clothes

**Bring?** Nerf gun **that your child can operate independently**, ammunition & safety glasses/swim goggles.

\*\*\*Label guns & eye wear only. DON'T bother labeling the ammunition. Ninjas will go home with as much ammo as they came with; they waste too much time trying to find their own darts. As long as everyone goes home with ammo that works in their guns (color doesn't matter) it's all good : )

**Cost?** \$20 per karate student; \$15 per sibling (karate or non-karate siblings); \$15 per Buddy.

**Forms?** On the credenza behind the Parent Gallery (main floor) and in the Loft Gallery or print out from the website.

**Forms DUE?** SEE Due Date in dojo; please put in the RED folder on the credenza *behind* the Parent Gallery (rear portion of the building).
